Singapore on the 26th instant for this

port.

The U. S. gunboat *Polo* arrived this

afternoon from Amoy.

We would again remind our readers of

Wm. Marchetti's Grand Concert at the

City Hall this evening, at 9 o'clock.

Messrs. Jardine, Matheson and Co., inform

us that the S.S. *Glenearn* left Singapore

for this port to-day.

Union Line steamer *Principia* left Singa-

pore for this port this morning, and may

His Excellency the Governor has been

pleased to direct that the 2nd of June,

being Whit Monday, be observed as a holi-

day in the Government offices.

Tenders are asked for by Government for

raising the remains of the late Police Hk,

anchors, cables, &c., and landing them on

the beach near the Police Station at Yan-

ma Ti.

The M. S. steamer *Shanghai*, with the

M. S. French and Australian mails, left Sin-

gapore for Saigon and this port on Friday,

the 23rd inst. at noon, and may be ex-

pected to arrive here on or about Friday,

the 30th instant.

It is reported, says to-day's telegrams, that

the Dean of Bangor has committed suicide.

It was the Dean of Bangor, if we remember

rightly, who denounced so strongly a short

time ago what has been described as the

'soft, sober, sage, venerable liquid and

wink-tipping cordial,' otherwise tea.

A TELEGRAM was received on Saturday last

by Messrs. Jardine, Matheson and Co., an-

nouncing that the *Indo-China S. N. Co.*'schartered steamer *Asaba*, Capt. Peters,

which left Hongkong on the 17th inst. for

Calcutta, &c., had gone ashore on the White

Rocks, about 40 miles from Singapore. It

was not known what was the extent of the

damage sustained but full particulars are

expected shortly.

Good news for the sports of Hongkong:

A tiger is reported to have been seen, be-

tween Saturday last and this morning, at

Taiwan, near Shau-ki-wan, where it killed

two pigs belonging to a Chinaman, carry-

ing off one of the porcine victims in his

mouth. The woman, who says she saw the

animal, made a report of the matter at the

Shau-ki-wan Police Station, and pointed

out the footmarks to a European constable.

The spot is about as large as a man's

hand.

Our last tiger, which had a penchant for

goats, turned out, if we remember right,

to be a big dog.

ASSAULT, to which town, we are informed

by cable, an expeditionary force of cavalry

and artillery is to proceed on the 3rd of

next month, is situated on the Nile, about

500 miles beyond Cairo in Upper Egypt.

The expedition is intended, we assume, to be

a sort of corps of observation, and to check

any advance of the Mahdi towards Cairo.

The circumstance of its being placed un-

der the command of General Wood implies

that it will consist of Egyptian troops, and

it is not really a movement which is likely

to affect anything but the finances of the

already bankrupt country.

Mr. Romano will be justly proud of the

address presented to him yesterday by the

Portuguese Community. It has attached

to it just about two hundred signatures;

in fact it appears to have been signed by

every Portuguese of any standing and res-

pectability in the Colony. Mr. Romano

seems to have done a deal of honorary

work for the Portuguese Government, and

we shall be very glad to hear of the in-

tegrity of the Linbon authorities to recognise

his services in a more substantial manner.

He is not only an experienced and popular

official representative of the Portuguese

here, but he is one of the most straight-

forward and courteous Portuguese gen-

tlemen in Hongkong.

A FATAL accident occurred at the China

Sugar Refinery, East Point, last evening,

to a Chinaman employed on the works.

The deceased was in the machine room

about 9 o'clock p.m., and appears to have

dropped a piece of wood, used as a trough

for drawing off the syrup, into one of the

large centrifugal pans while the latter was

in motion. The pan was revolving at

the rate of some 700 revolutions per

minute and the piece of wood was
